Kitchen Utensils Locked – Request for Caterer to Bring Serving Utensils

Please be informed that all kitchen utensils in our facility are now securely locked and will not be available for use by third party catering services. As such, we kindly request that you or your catering team bring all necessary serving utensils and related equipment for your upcoming service.

This measure is being implemented to ensure the proper upkeep of the Temple Hall and our kitchen resources.

We appreciate your understanding and cooperation in this matter. Should you have any questions or require clarification, please don't hesitate to reach out any board member.
